This program is sponsored by the Department of Extramural Services and Health and Physical Education.

CENTENNIAL COUNCIL

The next general meeting of the Centennial Council will be scheduled early in the Fall, President Thomas announced. Meanwhile, work by the various Council Committees will continue - with the objective of submitting complete drafts for final reports for the next, and perhaps final meeting.

The Board of Directors of the Texas A & M University System approved the following physical improvement projects for Prairie View during its June meeting.

- Awarded a \$55,000 contract for dormitory rehabilitation.
- Appropriated \$7,000 for improvement of parking facilities.
- Construction is now underway on renovation of the College Library at a cost of \$103,142. Improvements at Spence Hall will cost \$29,258.

FACULTY NOTES

Hoover Wright was named National Intercollegiate (NAIA) Track Coach-of-the Year.
Martin Epps has been named Southwestern Athletic Conference (SWAC) Golf Coach-of-the Year.

PROPOSED CONSTITUTIONAL AMENDMENTS

Two proposed amendments of great concern to colleges and universities in Texas will appear on the ballot in the special election to be held on August 5. Proposed Amendment No. 6 would remove the interest limitations on all bonds authorized by the State Constitution. Proposed Amendment No. 8 authorizes the Coordinating Board to issue \$200 million in State of Texas College Student Loan Bonds in addition to the previously authorized \$85 million in bonds. The coordinating Board is seeking all possible help on behalf of these Amendments.

NROTC FLIGHT INDOCTRINATION PROGRAM

Plans are now being completed for instituting an NROTC Flight Indoctrination Program for the Fall of 1969. This program is quite similar to the Army ROTC Flight Indoctrination Program which was initiated at the college during the past year. The Navy's Program will enable successful students to be certified as private airplane pilots.

RECORD OF P V PRE-MED GRADS

Noting that a Prairie View graduate was the first Negro to receive the M. D. Degree from Baylor College of Medicine, the Biology Department has pointed up the fact that since 1952 a total of 25 P. V. graduates have enrolled in the University of Texas Medical School in Galveston, and 24 have received the M. D. Degree. Dr. L. C. Collins further states that our record in V. T. Dental School is 100%.

APPOINTMENTS

- * Mr. Hubert Smith has been appointed Administrative Assistant to the President and Equal Employment Opportunity Officer, with office located in Room 201, Adm. Bldg.
- * The Reverend W. Van Johnson has been named College Chaplain, in addition to his duties as Director of Student Activities.

IN CLOSING

Best wishes for a smooth change of summer terms and for a successful beginning of the final semester of the 1968-69 school year.

Very truly yours,

Alvin I. Thomas
